FAQ's

What is your media photobooth equipped with?

Our photobooths are equipped with top of the line technology to ensure you get the best picture.

- * High Resolution Canon Digital, SLR cameras
- * Fast DYE SUB printers
- * Fast Laptop computer and Touchscreen monitor
- * Custom designed and built enclosure

How much time is required to reserve my date?

We usually require a minimum 2 weeks advance notice. But call us today if you have a last minute booking so we can schedule you in.

Do you charge extra for set up and tear down time?

NO WE DO NOT. We arrive prior to the contractual time for setup and teardown once time is expired. You can buy additional time if needed.

Can we have a special message displayed on our prints?

Absolutely! Our clients typically choose to have their names and their event date printed on their prints. You can also have any unique message, graphic, logo or design you choose can be displayed. Our premium design team are ready to help you create your desired look.

Do you sell booths besides Rental?

Yes, we are also a direct manufacturer and reseller of photobooths.
